

MAC AVANT GRP

The Avant with GRP Plastic Cover

- Highly professional hot pressure washer
- Perfect for all heavy-duty industrial or agricultural applications
- High flow rate and pressure
- Strong GRP plastic cover
- Proven reliability

KEY SPECIFICATION

Hot Water Mobile

12ltr, 15ltr, or 21ltr/min
Water Flow

100bar or 200bar Pressure

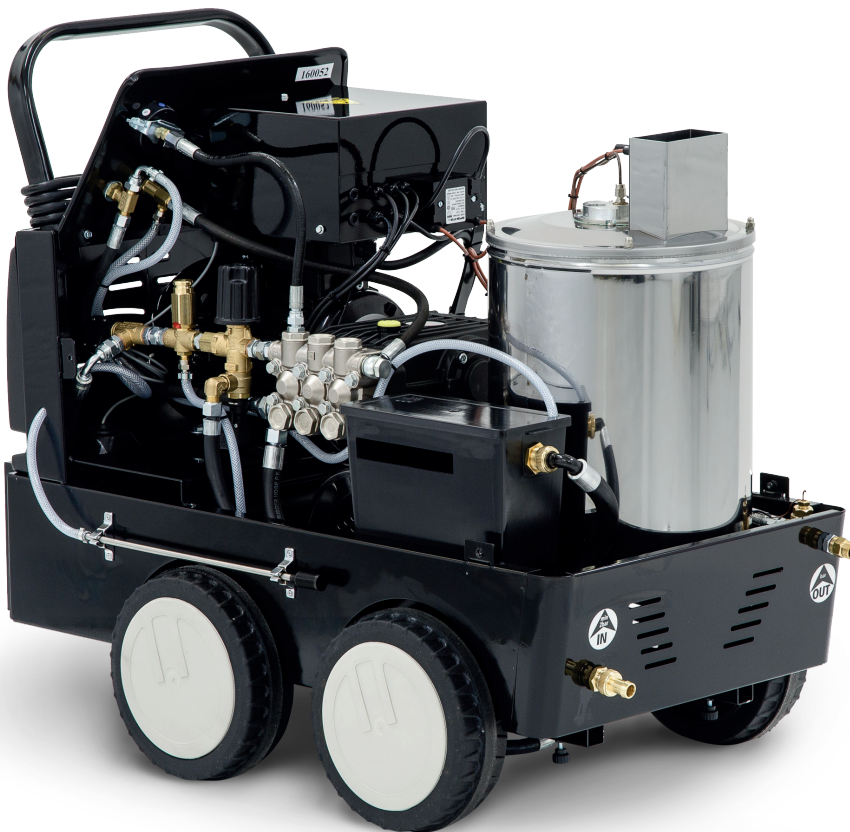

230v or 400v Power Supply

High Pressure Chemical

Steam Stage

MAC AVANT GRP

STANDARD FEATURES

- Heavy-duty steel chassis
- Heavy duty GRP plastic cover
- 4 large robust wheels for tough terrain
- Efficient M2 boiler system & double spiral coil
- High pressure chemical system
- Steam stage with low pressure steam valve
- ST66 chemical valve for improved calibration
- Professional Interpump with ceramic pistons
- Industrial 1450rpm 4 pole electric motor
- Automatic stop/start system
- Bypass valve and safety valve
- Pressure gauge
- Burner control with flow switch and thermostat
- 24v low tension safety controls
- Large 31ltr easy fill fuel tank with low level sensor
- Low level fuel warning lamp with burner shut down
- Mains power on lamp
- Including 10mt high pressure hose, single lance and heavy duty trigger

OPTIONAL ACCESSORIES

- Stainless steel manual hose reel
- Stainless steel lance holder
- Frost protection with heater tube
- Flame failure and leak detection system
- Timed chemical systems
- Remote control options
- Stainless steel break water tank
- Hour counter
